

The **Community Advisory Committee (CAC)** to the **Los Trancos County Maintenance District (LTCMD)** serves as advisor to, and communications conduit between, the Los Trancos Woods & Vista Verde communities and the Woodside Fire Protection District and County Department of Public Works who oversee programs to enhance fire safety, storm drain and road improvements and maintain land stewardship in unincorporated Los Trancos Woods, Vista Verde and Oak Forest Court. Annual program funding of over \$300K is from a share of the one percent property tax collected within LTCMD boundaries.

CAC members, volunteers appointed by the San Mateo County Board of Supervisors, are Jerry Hearn, Ken Kormanak, Amanda Lee, Claudia Mazzetti, David Smernoff, Bill Tagg and Tom Thayer. **Please call/email with ideas, concerns or questions** – our contact info is in your Community Resource Guide with emergency preparedness and directory information.
